

# HERMITAGE ACADEMY

## Project Information

- Address:** Waldridge Lane, Chester-le-Street, Co Durham. DH2 3AD
- Facility:** 101.4m x 63.0m synthetic turf pitch + recesses
- Pitch System:** NottsGrass 18 sand dressed (KDK) synthetic grass  
NottsPad® XC Shockpad  
Specialist Unbound (Dynamic) stone base  
Underlying piped drainage
- Other Features:** Permanent & semi-permanent pitch markings and playing lines  
3m high ridged panel fencing system  
Free-standing sports equipment + 8no. storage recesses  
Access paths
- Point of Interest:** The pitch replaced an existing redgra/shale pith which was unused due to its age and performance in inclement weather. The redgra conversion to a fully compliant FIH hockey pitch was designed to cater for both School curriculum sports and the community.
- Built:** Winter 2013
- Specialist Contractor:** Cleveland Land Services Ltd (CLS Sports)
- Sports:** Hockey                                      Football  
Rugby training                                      Aerobic activities  
Athletics and training
- Testimonial:** During 2012 we began discussions with Notts Sport about the possibility of installing a synthetic pitch on a derelict part of our site.
- They assisted us in its design, the tender process, and the project management resulting in the facility being available to us toward the end of 2013.
- The process was greatly enhanced by the knowledge and professionalism of the Notts Sport staff. I would therefore have no hesitation in recommending them to others considering a similar project.
- Steve Barnes  
Assistance Vice Principal
