

Staines Hockey Club

Site Address: 244 Worple Road, Staines, TW18 1HR

Facility Size: 95.7m x 59.2m

Sports: Hockey

Pitch System:

- Desso Trophy Pro 18mmsand dressed
- 15mm insitu rubber shockpad
- Existing Macadam base

Other features:

- Blue surround synthetic grass run offs.

Completed: October 2016

Build Cost: £196,000

Points of interest:

- Following removal of the old surface and prefabricated shockpad, careful remedial works were carried out to ensure the existing tarmacadam base achieved the necessary tolerance levels for a high standard hockey facility.
- The new surface installed was a 'world first' brand new product.

Testimonial:

"It is a glorious surface. Not only do our members really like it but our opposition often comment on it. We have doubled our external hirers too."

- Robbie Watson, Staines HC.
